Subject: RE: Swain v. Duke Docket 09-454-E

Josh,

Please accept this as confirmation from my side that we have settled this matter with Duke Engery. My apologies for having not gotten this information to the appropriate person. I have attempted to, a couple of times, but was told that I would need to contact someone else, etc.

If there is another contact that I need to respond to or a form to complete, please let me know.

Thank you for your assistance.
